**PETITION TO WITHDRAW HOLDING OF ABANDONMENT BASED
ON FAILURE TO RECEIVE OFFICE ACTION (MPEP §711.03(c)(I)(A))**

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants file this Petition to Withdraw Holding of Abandonment in response to information provided by the United States Patent and Trademark Office (“USPTO”) that the above identified Application has been abandoned. Applicants have been advised that an Office Action was mailed by the USPTO on January 20, 2006. The Office Action was never received by Applicants or Applicants’ counsel. Therefore, Applicants respectfully request that the USPTO remail the January 20, 2006 Office Action and restart the reply period.

**I. COUNSEL FOR APPLICANTS NEVER RECEIVED AN OFFICE
ACTION MAILED ON JANUARY 20, 2006 CONCERNING THE ABOVE
IDENTIFIED APPLICATION**

Pursuant to Section 711.03(c)(I)(A) of the Manual of Patent Examining and Procedure (MPEP), “the showing required to establish nonreceipt of an Office communication must include a statement from the practitioner stating that the Office communication was not received by the practitioner and attesting to the fact that the search of the file jacket and docket records indicates that the Office communication was not received.” MPEP, Rev. 3, August 2005, p. 700-168. A

Declaration of Applicants' patent counsel, Scott D. Sanford, is filed with this Petition attesting that the physical file for the above-identified Application has been searched, and the docket records for the above-identified Application indicate that O'Melveny & Myers LLP never received the January 20, 2006 Office Action. A copy of the docket record where the nonreceived January 20, 2006 Office Action would have been entered had it been received and docketed has been attached to and referenced in the Declaration of Scott D. Sanford.

Counsel for Applicants never received the Office Action mailed January 20, 2006. Accordingly, counsel for Applicants never received the opportunity to respond to the January 20, 2006 Office Action and the above-identified Application became abandoned.

II. APPLICANTS' REQUEST TO RESEND AND REMAIL THE JANUARY 20, 2006 OFFICE ACTION SHOULD BE GRANTED

Counsel for Applicants never received an Office Action mailed on January 20, 2006 concerning the above identified Application and therefore, a response was not timely filed prior to July 20, 2006. The appropriate course of action for Applicants is to file a Petition to Withdraw the Holding of Abandonment Based on Failure to Receive Office Action according to MPEP §711.03(c)(I)(A). If adequately supported, the Office may grant Applicants' Petition to withdraw the holding of abandonment and remail the January 20, 2006 Office Action. MPEP §711.03(c)(I)(A), Rev. 3, August 2005, p. 700-168.

On July 21, 2006, Applicants first learned that an Office Action concerning the above identified Application was mailed by the USPTO on January 20, 2006. On July 21, 2006, Examiner Chang contacted Applicants' counsel of record, Scott D. Sanford, by telephone, and informed Mr. Sanford that the above-identified Application would be abandoned for failure to timely respond to the Office Action mailed January 20, 2006. The maximum extendable period to reply to the January 20, 2006 Office Action expired on July 20, 2006.

Attached to the Declaration of Scott D. Sanford in support of this Petition is a copy of (1) an O'Melveny & Myers LLP IPMaster record identifying all action items docketed for the above-identified Application (attached as Exhibit 1), and (2) an O'Melveny & Myers LLP patent calendar report entitled "Monthly Patent Calendar From 01/20/2006 To 04/20/2006" (attached as Exhibit 2) identifying all action items between January 20, 2006 and April 20, 2006 for patents

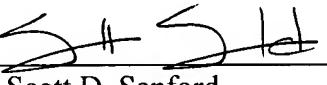

matters handled by O'Melveny & Myers LLP for Applicants. Both the IPMaster record and the Calendar illustrate that O'Melveny & Myers LLP never received an Office Action mailed January 20, 2006 concerning the above identified Application.

Applicants hereby request the USPTO to grant this Petition and remail the January 20, 2006 Office Action to the attorney of record, Scott D. Sanford, located at O'Melveny & Myers LLP, 275 Battery Street, Suite 2600, San Francisco, California 94111. Applicants further request the USPTO to restart the reply period.

The Commissioner is hereby authorized to charge underpayment of any additional fees or credit any overpayment associated with this communication to Deposit Account No. 50-3548. A *duplicate* copy of this authorization is enclosed.

Respectfully submitted,

**DECLARATION OF SCOTT D. SANFORD IN SUPPORT OF PETITION TO
WITHDRAW HOLDING OF ABANDONMENT BASED ON FAILURE TO RECEIVE
OFFICE ACTION**

I, the undersigned attorney, declare as follows:

1. I am an associate attorney at O'Melveny & Myers LLP, and am counsel of record for the above-identified Application.
2. As of August 25, 2006, O'Melveny & Myers LLP had not received an Office Action mailed January 20, 2006 in the above-identified Application.
3. The O'Melveny & Myers LLP attorney docket number for the subject Application is 0034741-00926.
4. The physical file for the above-identified Application does not include an Office Action mailed on January 20, 2006.
5. The O'Melveny & Myers LLP IPMaster report for the above-identified Application (attached as Exhibit 1) does not include an entry for an Office Action mailed January 20, 2006. The absence of such an entry indicates that an Office Action mailed January 20, 2006 was never received by O'Melveny & Myers LLP.

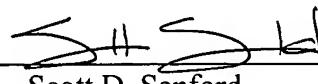

6. The O'Melveny & Myers LLP Patent Calendar Report identifies action items between January 20, 2006 and April 20, 2006 for all patent applications owned by Applicants (attached as Exhibit 2) and does not include any action item for responding to an Office Action mailed January 20, 2006 in the above-identified Application. The absence of such a docket entry indicates that an Office Action mailed January 20, 2006 in the above-identified Application was never received by O'Melveny & Myers LLP.

7. That all statements made herein are of my own knowledge and are true, and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under §1001 of Title 18 of the United States Code.

The Commissioner is authorized to charge any underpayment or credit any overpayment associated with this communication to Deposit Account No. 50-3548. A duplicate copy of this authorization is enclosed.
